PERSONALIZED, SUPPORTIVE LEARNING

At SEU, we keep our classes small so that you can receive [individualized attention](#) from our world-class faculty who bring real-world experience and practical applications to the classroom. Our courses take place in eight-week increments so you can focus on one or two classes at a time and build skills that will help you take the next step toward a new career or elevate your current role. Our professors combine their expertise with a desire to see you succeed, and faculty will work closely with you and guide you as you earn your degree.

You'll also have the opportunity to apply previous learning by [transferring credits or earning credits for prior work experiences](#) so you can focus on what you need to succeed.

FINANCIAL AID OPPORTUNITIES

We know that finances can play a big role in choosing the right school for you. That's why we're dedicated to making higher education accessible to all. Our tuition is competitively priced, and we offer a variety of [financial aid resources](#) to our students.

Plus, you'll have access to a dedicated enrollment counselor who will support you every step of the way, and when you're accepted as a student, you'll receive a personalized award letter. You'll find that financing your education at SEU is easier than you may think!
